

INTERNSHIP GUIDELINES

We welcome you to a six-week all-encompassing training experience in a 'full-service' legal practice environment.

Objectives of the Program

- To garner research, communication, administrative, writing and other practical skills relevant in the modern day law practice.
- To gain first-hand experience and exposure to the day to day tasks associated with a law firm in the legal profession.

Proposed Tasks for Intern(s)

1. Conduct research on assigned issues using existing and alternative materials e.g. digital research using the internet, analyzing information and summarizing findings.
2. Conduct comparative legal analysis on a range of issues in a given area, identifying legal and policy issues, researching relevant precedents and proposing appropriate solutions.
3. Participate in the execution of existing briefs with the supervising lawyers in the firm.
4. Assist in the preparation and organization of meetings, including drafting of the minutes.
5. Participate in legal drafting e.g. letters, contractual agreements and legal opinions.
6. Article writing and presentation.
7. Participate in moot proceedings, mock trials and debate presentations.

Introduction phase

Conduct a meet and greet session with the intern(s), wherein we shall;

- Welcoming the interns.
- Intimate on the vision and objectives of the Firm.
- Advise on the rules of conduct obtainable in the Firm.
- Share the timetable.
